Motion passed unanimously.

### **A. Weekly Reports**

## **9. Old Business:**

### **A. New Well Project Funding Update (Audits)**

The auditor is currently working on other client's audits and our audits are next on the list. Anna requested a board member contact the auditor to express the need to get the audits completed as none of the audits have been completed. Neal said he would contact the auditor. The board requested Anna see if the previous auditor can complete the audits.

### **B. Nuisance Properties Update**

Neal reported that he went to the County to see what could be done to clean up several properties. Individuals from the county stated that as there are no ordinances in McKinley County nothing can be done to enforce clean up. Neal also contacted the McKinley County Fire Chief about the properties that are fire hazards. He was told that there are no ordinances in the county to enforce. He also contacted the county to find out about commercial businesses being set up in residential areas. He was informed that there are no zoning ordinances, businesses can be set up in residential areas.

### **C. Update on Tank Remediation**

Continue to wait for audits.

### **D. C&E Petition**

Daneal reported that she has looked into the petition format needed when submitting to the NMEPA. She needs more time to understand what is required when

submitting a complaint. She will get more information and report back to the board at the next meeting.

**E. Commercial Rates for Businesses**

Daneal asked Clint for a list of properties that are running a business. Update to come at next meeting.

**F. Community Dumpsters Dates (Jacob)**

The board discussed having 4 community dumpsters this year starting in May. May's dumpsters will be scheduled for the 3<sup>rd</sup> Saturday of the month. The following months will be scheduled for the second Saturday of the month. The dumpsters will be rented from the City of Gallup as they are the cheapest option.

**G. Acct # 47671**

This customer was unhappy with the amount of water bill in October. He came to the October board meeting questioning why his bill was high. The board decided to change out his meter to see if it was collecting the wrong data and have him \$250 for the month as that was his average bill amount and reevaluate the meter readings in the next month. The meter was changes however, the new meter was defective and did not collect any data. The defective meter was in place for two months. Once the meter was found to be defective it was replaced. The customer received two months of water free. Jacob motioned to waive \$500 of the balance and have the customer pay the remaining balance. Rosa seconded. Motion passed unanimously.

**H. Acct # 74531**

Customer is the property owner that had a renter at this property. The renter stated when leaving the property that they had paid off the water bill. The owner is currently repairing the water lines in the house. He requested to be able to turn on the water to complete repairs. Neal motioned to open an account for the owner, waive the connection fee and only charge customer for the water that is used. Rosa seconded. Motion approved unanimously.
